

Abridged Biography | Ms Phetha Mchunu

Phetha Zekhethelo Mchunu, 21 years old, is a University of the Witwatersrand BA Law graduate with a double major in Law and International Relations where she received her Golden Key membership and where she is currently pursuing her LLB degree.

Concerned by the state of poverty in her community she is a budding entrepreneur and has been awarded for her efforts by organisations such as Esquared Varsity Pitch, Allan Gray Pitch Arena. She was also a finalist in the National Edhe Intervarsity Competition after having won the Gauteng regionals for her innovative waste management company GridPit. She wishes to continue empowering youth by being a leader and a good role model in her community and has since been chosen as a member of the Global Youth Parliament South African Division and the National EDHE Community of Practice for Student Entrepreneurship.
